

Benedictine and McGuire's Play for Title To-Day

UNIVERSITY ELEVEN ON EDGE FOR GAME AGAINST CATHOLICS

Squad Engages in Last Actual Practice Before Battle With Georgetown on Saturday—Mass Meeting of Students Will Be Held To-Night.

(Special to The Times-Dispatch.)

Charlottesville, Va., November 12.—Virginia's last actual football practice before the Georgetown game was held this afternoon behind closed gates.

The team went through every play to be used against the Blue and Gray on Saturday. With milder weather the work went on with an even greater amount of snap than usual, and the men were all eagerness to play.

Following a long signal drill, participants marched up to the entire squad of eighteen, which will be taken to Washington. The scrub team took the ball and ran through the Georgetown lines, then came back, having built up its defense for the Blue and Gray plays. The scrubs made some headway against the regulars, but never much, as on a steady run for ten minutes then the regulars tackled the scrubs and beat them back for two touchdowns. It was a persistent performance that covered the ground from kick-off to touchdown without losing the ball. In the series of gains for each touchdown not a long run was registered, yet the men covered without losing the ball. Nearly all the moves were backfield plays, the forward pass being used occasionally.

The first string backs were kept out of the game, after all, for fear of injury, their places being taken by Spotts, Knox Walker and Speer. Both of the touchdowns were registered by Spotts.

The varsity was on the gridiron less than two hours, returning to the gymnasium earlier than at any time this week. This even with visit to-morrow only for light signal practice.

In the showing of the team in today's scrimmage with the scrubs may be taken as a criterion. The Virginians are in fine shape for the battle with Georgetown, and next week the game on the schedule. The eleven is on edge for the game, according to Head Coach Warren, who announced to-day that all of the players are in present physical fit for the struggle.

A big mass-meeting to arouse the interest of the student body will be held at the school hall to-morrow night in Cabell Hall. The entire football squad will attend. There will be an address by athletic leaders and a reading of the songs to be given on Georgetown field Saturday.

Whiting, of Cornell, is the second official agreed on by the athletic

boards of the two institutions. A head linesman is yet to be chosen.

Only One Regular Out.

(Special to The Times-Dispatch.)

Washington, Va., November 12.—Georgetown's football eleven is now possessed of practically its full strength for the Virginia game Saturday. McNulty, a first string linesman, is the only veteran who will not be able to play. Barren, the regular right guard, and Donnelly, considered the best end on the squad, quit the team yesterday and donned uniforms. They looked none the worse for their injury and layoff.

There was no attempt at hard work in the practice. Two hours and half were spent on the field and all of this time was given up in perfecting the plays that are to be sprung by the amateur eleven. The players practiced passing, drop-kicking, and handling of the ball on kicks. Individual instruction was given the men in the fundamentals of their position.

How the team will line-up when it faces Virginia has not been definitely determined, and probably won't be until the morning of the game. The condition of the center is the chief factor in this. There are several backs that at present lie between two players and the competition is so close that the coaches are finding it hard to reach a decision.

A feeling of confidence prevails among the players and their handlers that they are going to score. Virginia, however, has not one single of the competitive score records of the rival elevens. Any way you figure it, there will be "some" football game on the Hill Top Saturday afternoon.

An innovation in the management of Georgetown-Virginia contest is going to be sprung on Saturday. Manager Barrett said to-day that the coaches will stand on the side lines; the privileges would be limited to owners, men, coaches, and others connected directly with the teams.

This idea is carried out at all games in other cities and will be greatly appreciated by the spectators.

That there will be a record crowd on hand Saturday when the referee's whistle blows for the start of the battle stands assured.

There shall be no such procedure by national association clubs.

Committees will commence reporting tomorrow morning, and it is felt the business of the convention will be completed during the day.

Secretary Farrell read to the convention to-day the list of requests from the Players' Fraternity. No action was taken, it being left to the committee on contracts to formulate a course of procedure to be submitted to the convention for ratification. No objection will be made to send a committee into conference with the national commission and representative players.

Colonial, Nov. 12.—Five committees were announced by President Section of the National Association of Professional Baseball Leagues during to-day's session. One committee was assigned the problem of devising a way whereby a uniform style of contract can be prepared for players of the five different classes of leagues affiliated with the organization.

In a communication to the convention the national commissioners made the suggestion of uniting the various classes of the non-independent baseball men says, is the possible insertion of a clause requiring a player to be given a period of release on day prior to his signing the contract, and the date of his signing to work under this plan, but that this in itself would not be sufficient to make a player having to carry and pay a useless player for ten days.
